## Objectives

Dedicated and detail-oriented individual seeking a QA trainee position where I can leverage my skills in testing and quality assurance to contribute to the success of the organization while gaining valuable experience and professional growth.

## WORK EXPERIENCE

### DATA SPECIALIST

2020 - 2023

#### Cloudfactory | Kathmandu

During my tenure as a data specialist at Cloudfactory, I was given responsibility as an image annotator and audio transcriber. This involved meticulously labeling and describing visual content and transcribing spoken words from audio recordings. I utilized various tools and techniques to ensure accuracy and efficiency in both tasks, contributing to the organization's data management and analysis efforts.

### CONTENT WRITER

2022

#### Prasanaga Nepal

As a content writer at Prasange Nepal, I crafted engaging written content for different platforms, following brand guidelines and collaborating with team members. I also honed my editing and proofreading skills to ensure highquality content.

## Education

### International School of Management and

#### Technology (ISMT)

Major: BSc (Hons) Computer Systems Engineering
